SUMMARY

Full-stack developer and AI enthusiast with a Master's in Computer Science. Passionate about building technology that empowers people to pursue their dreams. Experienced in shipping production applications used by 200+ users, architecting AI agent systems, and mentoring the next generation of developers through hands-on tutoring.

EXPERIENCE

Computer Information Systems Tutor
Oct 2025 — Present

Wilbur Wright College — City Colleges of Chicago · Chicago, IL

- Provide individual and group tutoring across a wide range of CIS subjects including programming, databases, and web development
- Serve as embedded tutor in classrooms, leading workshops on study skills and learning strategies
- Develop personalized learning plans that address each student's strengths and areas for growth
- Collaborate with instructors to align tutoring support with lesson plans and course objectives

JavaScript Developer I
Feb 2023 — Nov 2023

AXANEXA · Chicago, IL

- Developed and deployed a resource management application on monday.com for Airbnb, adopted by 200+ team members for project coordination and resource allocation
- Launched the company's first-ever Dependent Dropdown application on the Monday.com Marketplace, pioneering marketplace offerings
- Built a role assignment/reassignment system handling hundreds of concurrent tasks with optimized API rate-limit management
- Pioneered UI/UX design strategies using reactive programming and modern design principles across multiple devices and platforms

Teaching Assistant — Accelerated Intro to Computer Science
Aug 2016 — Dec 2017

Illinois Institute of Technology · Chicago, IL

- Assisted professor during laboratory sessions and graded student assignments
- Held office hours for individual mentoring and facilitated small group exploration of CS concepts

Digital Communications, Institutional Advancement
Nov 2015 — Dec 2017

Illinois Institute of Technology · Chicago, IL

- Administered the IIT Alumni and Mies Van der Rohe Society websites
- Migrated media database to external storage, improving system speed by 40%
- Produced the Illinois Tech Giving Day 2016 Results video and in-house content for IA teams
- Proposed cloud-based backup solutions to improve workflow and reduce infrastructure costs

Mathematics Tutor
Jun 2014 — May 2015

Wilbur Wright College — City Colleges of Chicago · Chicago, IL

- Motivated students to excel in STEM through personalized one-on-one math tutoring
- Encouraged independent problem-solving using Khan Academy and online learning resources
